ORDER

-----X

SARAH NETBURN, United States Magistrate Judge:

The Court has received the letters from the parties alerting it to the impending August deadline for applications to the Victims of State Sponsored Terrorism Fund ("VSSTF"). The Court is reviewing the pending default judgment motions against the Islamic Republic Iran. It will endeavor to adjudicate them with sufficient time to permit parties' applications to the VSSTF. The Court does not anticipate being able to process any default judgment requests filed after the entry of this Order by the August deadline. Further letters requesting the Court's attention to this issue are disfavored.

SO ORDERED.
